## For participants

We could hardly be more centrally located. The Congress Center Messe Frankfurt is within walking distance of the main railway station and only 15 minutes by car from Frankfurt airport.

How to get here:

### From the motorway

On the motorway, follow the signs 'Westkreuz Frankfurt' and 'Messe', then 'Stadtmitte/Congress C'. You will come to the Theodor-Heuss-Allee. Follow this, skirting the eastern edge of the fairground, for around 500 meters and you will see the Congress Center/Maritim Hotel and the Festhalle on your right. Public parking spaces are available in the multi-story car park of the Maritim Hotel, the Marriott Hotel and beneath the nearby skyscraper, which is called the 'Messeturm'.

### From the main railway station

It is only one kilometer from the Hauptbahnhof (the main railway station) to the Congress Center.

- **On foot**, it will take 10 minutes to the Congress Center. Follow Düsseldorf Straße (to your left as you leave the station) until you reach the Platz der Republik; cross this and bear left onto the Friedrich-Ebert Anlage; continue on past the Messeturm until you reach Ludwig-Erhard Anlage and you will see the Congress Center and Maritim Hotel on your left.
- **By subway**, the U4 line (direction 'Bockenheimer Warte') brings you in just one stop from the main railway station to the stop 'Festhalle/Messe'. You leave the subway directly at 'Eingang-City', which is next to the Messeturm. (See instruction "On foot")
- **By tram**, take the number 16 (direction 'Ginnheim') or number 17 (direction 'Rebstockbad') from the main railway station and get off at Ludwig-Erhard-Anlage (only 4 stops). Cross the street and walk past the entrance of the Maritim Hotel to the Congress Center.

### From the airport

Trains run at 15-minute intervals from the S-Bahn (interurban train) station 'Frankfurt Flughafen' to the main railway station or 'Hauptbahnhof'. You can take either the S8 or S9 (direction: 'Offenbach'). Please change trains at the main railway station. See instructions "From the main railway station".
